

The Official Race Guide for the La Crosse Omnium

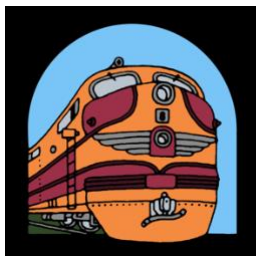

LA CROSSE OMNIUM

May 6, 7, and 8, 2022

T R A I L S

Welcome to the La Crosse Omnium!

Bike racing professionals and amateurs from throughout the Midwest will compete in America's largest three-day cycling race at the [La Crosse Omnium](#) on May 6-8, in La Crosse, Wisconsin. The La Crosse Omnium is the Midwest's premier spring road classic.

Professional men and women cyclists will compete for equal cash payouts of \$1,800 each. Cash payouts for the race will total \$7,500 plus thousands in prizes.

[ORA Trails](#) is staging the 10th annual 2022 La Crosse Omnium, which begins Friday evening with registration opening at Bluffside Tavern at 4:00 pm for the time trial up Bliss Road to the top of Grandad's Bluff. The Time Trial and several other race categories have sold out in past years, so racers are encouraged to register well in advance for La Crosse Omnium. Please note that pre-registration is required for the Time Trial.

Friday's lung searing, Grandad Bluff time trial climbs 550 feet in 2.4 miles and racers go off every 30 seconds starting at 4:30 pm. Sponsored by [Coulee Bicycle Co.](#), the fastest man and woman to the top will win custom 3D trophies of the course. See details below.

Day 2 of road racing starts Saturday morning at 8:30 am on a challenging and secluded 14.3-mile loop on the back roads of nearby Chaseburg that features lung scorching climbs and scenic sweeping descents. Road racing begins at the [Chaseburg Village Hall](#). There are 15 categories of racers completing a loop of the course one to five times depending on the race field. Distances range from 14.3 to 57.4 miles. Riders ascend and descend 654 feet per lap. Sponsored by [Freighthouse Restaurant](#), the fastest Strava verified man and woman up the hill will win a gift card to the restaurant! Additionally, two other random racers will also win their dinner!

The finale, day 3, begins Sunday morning with a Criterium on the downtown streets of La Crosse. "NASCAR on bikes" with elbow-to-elbow race action at high speeds around a tight, flat as a pancake profile, along the scenic Mississippi River. [Explore La Crosse](#) is promoting this great race, and they are your go-to resource for places to stay, eat, and things to do when you're off the bike. See more in the spectator's guide below for some of their great content!

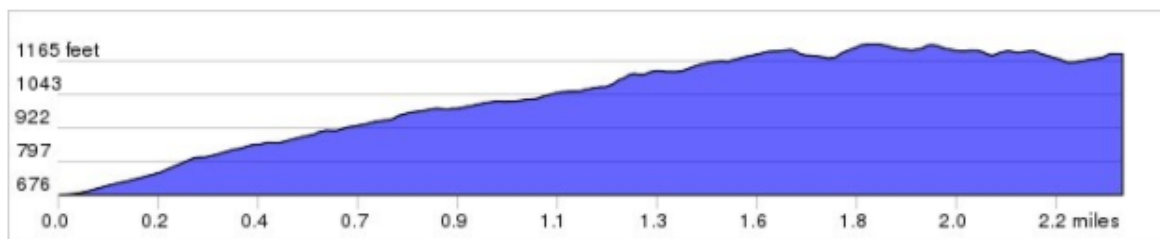

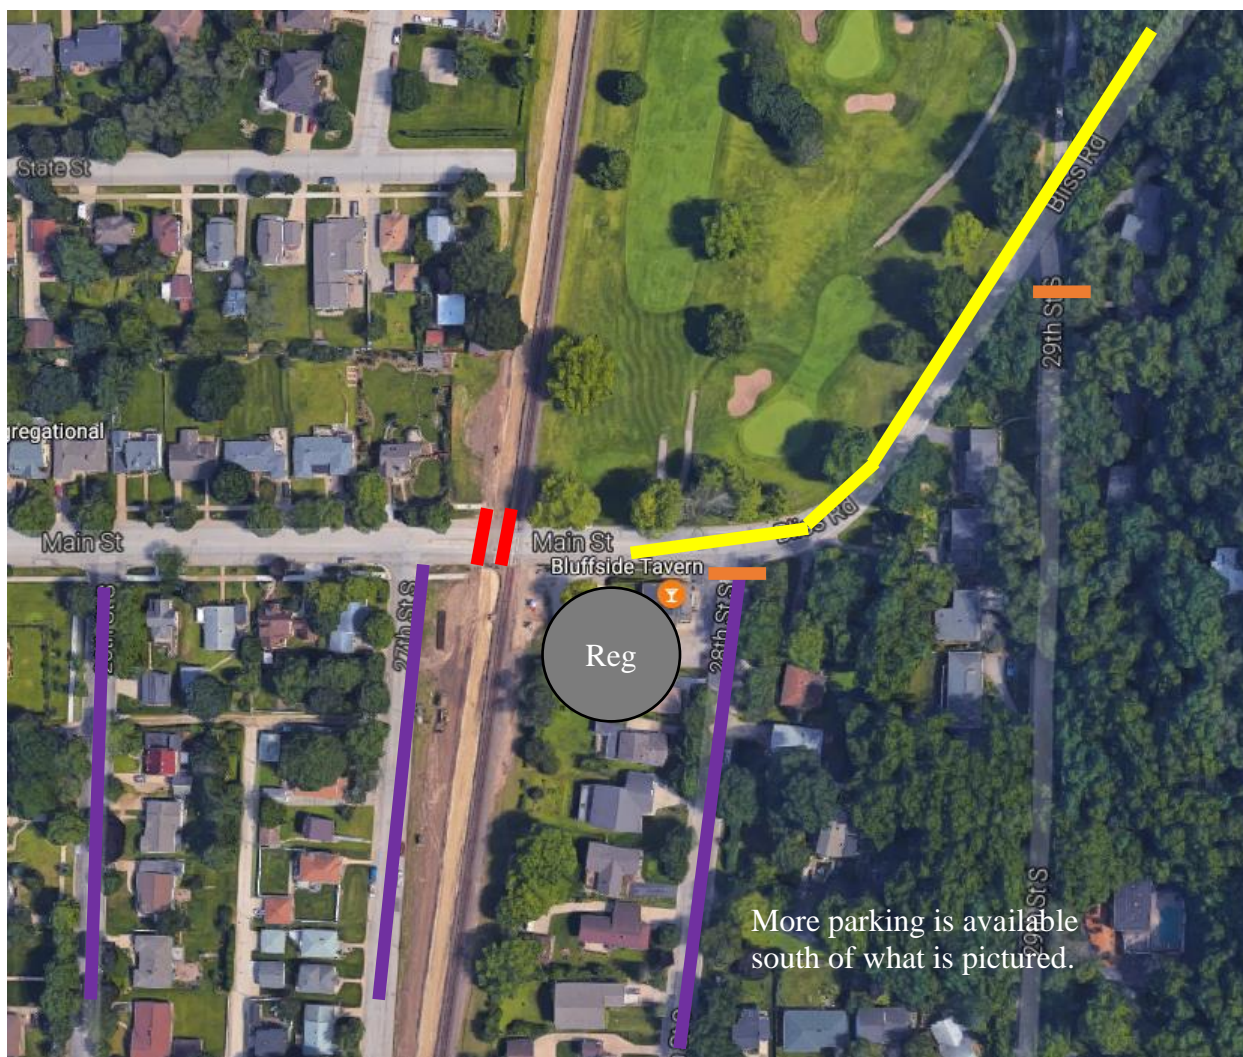

Information on each day of racing can be found below, including maps and important day-of information. Also, please consider volunteering when you are not racing, or having friends and family volunteer. We can't run the event without our great volunteers! [Sign Up Volunteer Spot](#)

Points are scored separately in each event and then accumulate toward the La Crosse Omnium Championship. Speaking of points, we will do podiums as soon as results are official, each day.

Time Trial: Friday, May 6th, 2022

- Starting at 4:30 PM (pick up bibs after 4:00)
 - If you don't race until later, please wait to pick up your bib!!
 - We don't want long lines for the early racers, thank you!
- Numbers go on the left side
- Staging at [Bluffside Tavern, 2712 Main Street, La Crosse, WI](#)
- Street parking will be available but please note:
 - The race starts on the east side of two sets of railroad tracks, **so make sure you're on the correct side when you get close to your start time.** We won't be able to wait for a train – the clock starts at your start time. Every year someone misses their start time.
 - *No parking in the Bluffside Tavern lot, as this will be saved for patrons.*
- Start times will be emailed at least 24 hours prior to the event.
- On the map below:
 - Red is for angry train tracks
 - Purple is for parking
 - Yellow is the TT course
- The pavement is not in the best shape, unfortunately we don't have the budget to repave it. Be careful! Find a clean line.
- Riders returning to the start need to stay to the right and descend cautiously. Uphill racers have the right of way.

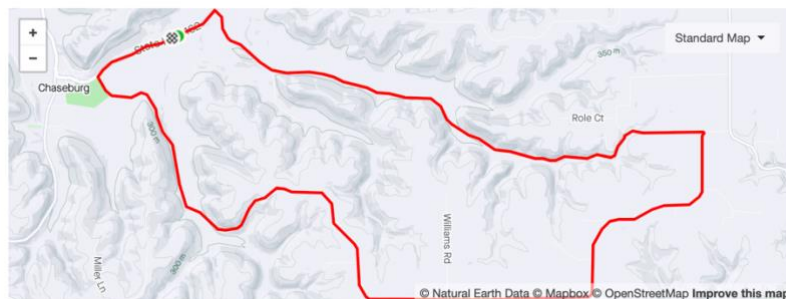

Road Race: Saturday, May 7th, 2022

- Starting at 8:30 AM (registration opens at 7:30)
- Numbers go on the left
- Staging at [Chaseburg Ball Fields](#) (down the hill to the south, behind Village Hall)
- The address is 402 Depot St, Chaseburg, WI 54621
- Parking is available on city streets, but not by registration (you'll have to walk or bike down) as we use this for neutral rollout:
- It's very possible that there will be Amish baked goods for sale. We highly recommend them, but have no formal endorsement.
 - There might be a pancake breakfast too. We'll share this information as it becomes available.
- There are restrooms in the park and in the Village Hall.
- Spectators can park at [Middle Coon Valley Lutheran Church](#).
 - There will be no access to the church, but there will be porta potties in the parking lot
 - Please respect the space and clean up after yourselves!
 - The start/finish is down the road from the church, but there is no parking allowed on the highway for the safety of racers. Make sure your vehicle is in the lot!
- The officials try very hard to pick all finishers, but given the field sizes and the damage the demanding course extracts from the riders, it is tough to keep track of everyone. It is your responsibility to check the results after the race, and protest within the allotted 15 minutes, should they not accurately reflect the results.
- Numbers will go on the left side. If you received a number for the TT and you are racing in the same category, you will use the same number. If the RR will be your first race you can pick it up at reg with your license.
- Be Safe. Fields are big and the road is open, keep your head up at all times and observe the yellow line!

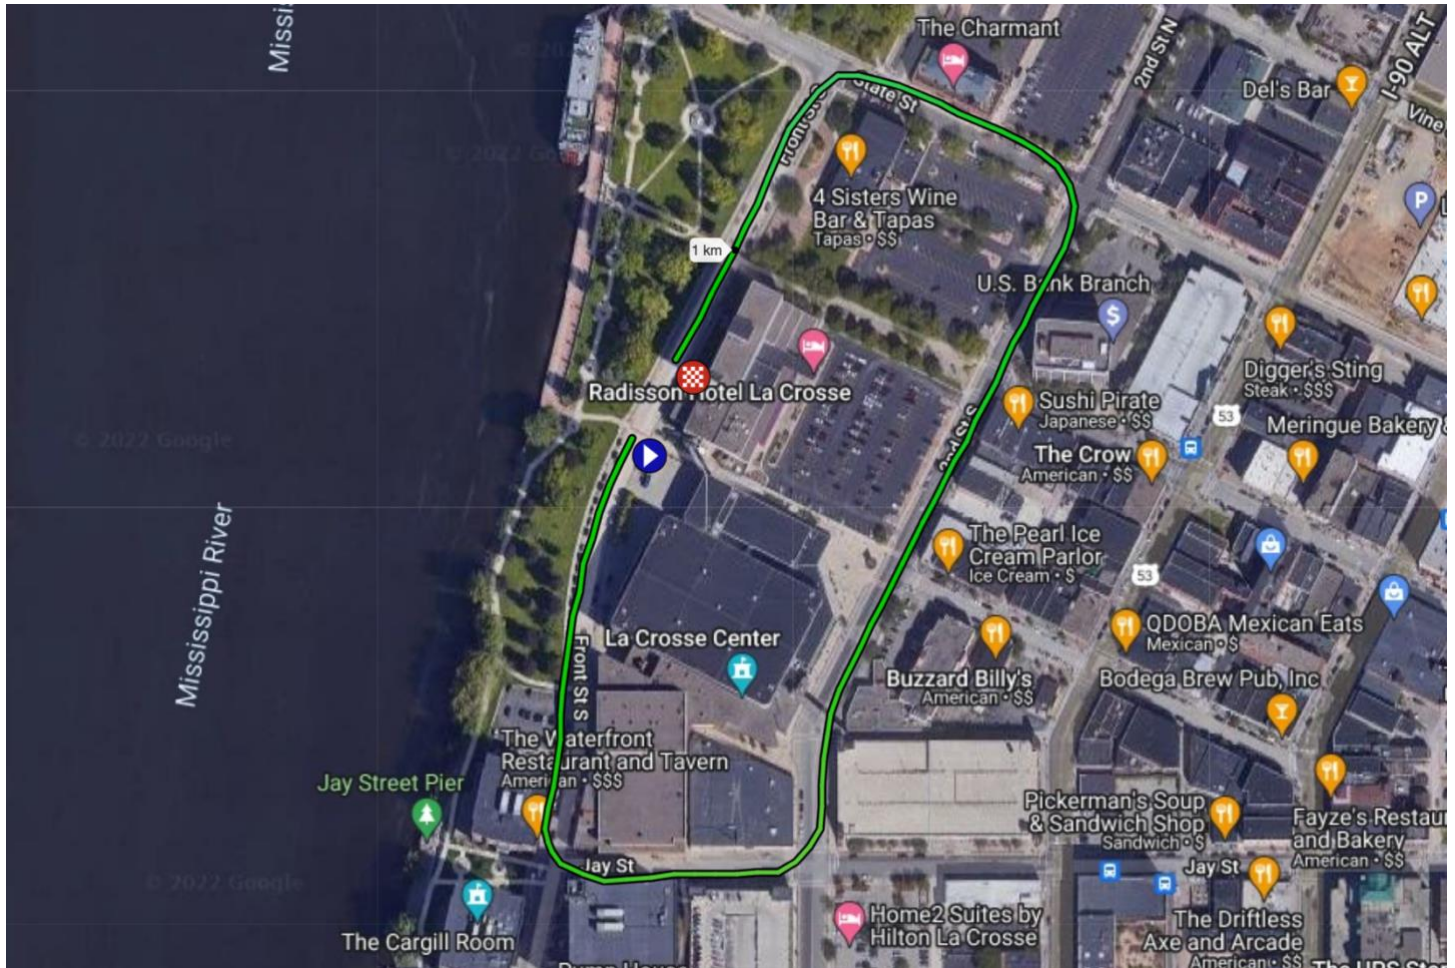

Distance 14.19mi Avg Grade 0.0% Lowest Elev 549ft Highest Elev 1,129ft Elev Difference 579ft 631 Attempts By 264 People

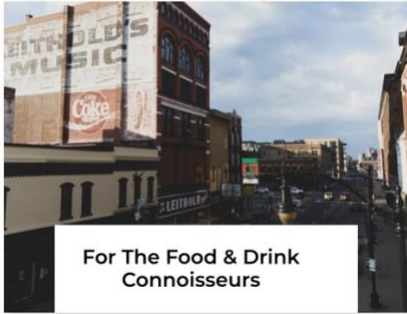

Criterium: Sunday, May 8th, 2022

- Starting at 9:00 AM (registration opens at 8)
- Numbers go on the right
- Staging noted on the map below by the maroon box, [200 Harborview Plaza, La Crosse, WI](#)
- The start line is in green.
- Parking is available in several ramps, as well as on street (but not on the course!)
- The course is .7 miles in length, with 12 feet of elevation change per lap.
